

CERTIFICATE

This is to certify that the Food Safety Management System of:

VanDrie Group
Food Safety Supply Chain System
Mijdrecht, the Netherlands

has been assessed by Lloyd's Register Quality Assurance and found to conform with the requirements of the following Food Safety Management System Standard:

Supply Chain Requirements

(version 4.0 – September 2014, issued by LRQA – the Netherlands)

The Food Safety Management System is applicable to:

The development, production and supply of calf milk replacer, compound feeds, premixtures and complementary feed, the purchase of calves, the control of the fattening and supply of veal calves, as well as the slaughtering of veal calves, the cutting, deboning, trimming, portioning, processing, scalding, packing, storage and delivery of veal, ready-to-sell veal, processed veal, scalded products and veal by-products.

These activities based on ISO 22000:2005 are governed by the "Safety Guard" system of the VanDrie Group.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Approval Certificate No: RQA656861	Original Approval	:	27 November 2002
	Current Certificate	:	21 December 2017
	Certificate Expiry	:	30 November 2020

Issued by: Lloyd's Register Nederland B.V.
